Notepad in hard cover*	\$ 15 000
Pen*	\$ 5 000
Lanyard*	\$ 5 000
Roll-up Banner	\$ 5 000

TERMS AND CONDITIONS

45-Minute Satellite Symposia

With a minimum grant of \$75,000, contributors are offered the opportunity of presenting a satellite symposium, held outside of the core scientific program, on Wednesday, May 31, 2017 or Thursday June 1, 2017. Your symposium will be listed in a separate program remitted on site. Each company is responsible for its own symposium costs as well as for invitations and additional mailings.

Places are limited. Please complete and return the contribution form at your earliest convenience. The Organizing Committee will make its selection based on contribution level, academic criteria and fair rotation amongst contributors.

Working Luncheon Workshop

With a minimum grant of \$50,000, the Working Luncheon Workshop offers you an opportunity to address delegates directly, on Friday, June 2, 2017 between 12:15 and 13:15. Presentation topics must be pre-approved.

Basic audio-visual equipment package included in the sponsorship: screen, projector and 1 microphone. A buffet working luncheon will be provided for 25 people. Any additional menu items please contact the Secretariat at cardio@jpd.com for details and pricing.

Places are limited. To secure your place complete and return the contribution form at your earliest convenience.

Partners Collaboration

In the past, it was implied that partners could not offer parallel activities during the scientific program and that included Satellite Symposia. The Organizing Committee

works hard to gather key players in the field of cardiology and we appreciate that our partners do not solicit the same restricted pool of cardiologists during that time. We hope that you benefit from the 2nd Heart Team Summit - Montreal Live Symposium and that, if you wish to maximize your implication and visibility, you do it with us and not to the detriment of other partners and the main Symposium. We ask that you respect this code of ethics so we can preserve the healthy climate we have been privileged to have so far. We thank you in advance for your usual collaboration.

Payment Instructions and Schedule

Upon confirmation: please send your cheque for 50% of total contribution with a copy of this form. The remaining 50% must be received at the latest on March 1, 2017.
